Funded Spaces

Children accessing government funded hours will have the option of attending a fully funded space on set session day and times, or a attending on a flexible package, which reflect their families' unique needs.

Children accessing packages for 11 hours per week will be required to attend a minimum of four half day per week.

Children accessing packages for 22 hours per week, will be required to attend a minimum of five half day sessions per week.

When families are not eligible for the extended entitlement or when families are wishing to split their funding between providers, Little Legends will offers access to government funded hours at a minimum of 11 hour per week.

The weekly prices displayed above, are based on full weeks attended within any monthly period. Customers accessing funding will be required to have invoices on a 'calendar monthly' invoice as a 'standard order' invoice will result in large fluctuations as the months are averaged whilst the funding is applied weekly. The nursery will endeavour to apply your child's funded hours to your account in a manner that minimises fluctuations.

Please note: *Current Government guidance outlines that funding is NOT intended to cover the cost of, any food or drinks, consumable items or equipment, any hours available within packages in excess of the 570 funded hours annually, or the costs of any additional items, products or services that are provided within a nursery package (such as our online the learning book profiles). Such costs are covered entirely by parental fees and are outlined above as an 'additional service charge' in the 'what you pay' section.*
