Little Legends
Extended Offer / 22 (30) hours

How it all works!

Eligible children will be able to access 1140 hours of free childcare per year. This can be offered by providers in many ways, including 30 hours per week term-time or 22 hours per week across the full year. At Little Legends we will be providing funding on a full year offer at 22 hours per week.

Children will become eligible at the beginning of the term following their nine-month anniversary.

Parents will need to apply in advance if they believe that they are eligible. If you are eligible, you will be provided with an individual code for your child. The nursery will need this to be able to access your child's funding.

Fully Funded Spaces

Our fully funded spaces are offered as either am or pm sessions. Fully funded spaces are limited to set session times.

If your family needs greater flexibility don't worry, as you can select from one of our flexible packages. This allows your child to access a partially funded place that reduces your cost with funding whilst still meeting your family's unique needs.

Children accessing more than 22 hours per week will have the option of attending packages that include any combination of half and full day sessions. Children will be required to attend a minimum of five, half-day sessions per week.

For children accessing less than 22 hours or wishing to split their funding between providers, Little Legends will be offering an 11-hour package, equivalent to a term-time place of 15 hours a week.

The weekly prices displayed above, are based on full weeks attended within any monthly period. Customers accessing funding will be required to have invoices on a 'calendar monthly' invoice as a 'standard order' invoice results in large fluctuations as the months are averaged whilst the funding is applied weekly. The nursery will endeavour to apply your child's funded hours to your account in a manner that minimises fluctuations.

Please note: *Current Government guidance outlines that funding is NOT intended to cover the cost of, any food or drinks, consumable items or equipment, any hours within packages in excess of entitlement hours or the costs of any additional items, products or services that are provided within a nursery package. Such costs are covered entirely by parental / private fees and are outlined above as an 'additional service charge' in the 'what you pay' section. The meal and snack contribution for the fully funded place is voluntary and can be subsidised by wider parental fees on request.*
